

Overnight Stay Policy

Date in Effect: January 29, 2026

Alder Brook Sportsmen's Association

Policy:

- ❖ **Overnight stays will ONLY be allowed during organized special events - no exceptions.**
- ❖ Overnight stays are permitted for all current members and up to two (2) member guests of the Alder Brook Sportsmen's Association in good standing. Members are solely responsible for any guest(s) they are accompanied. Each member guest must sign a Release of Liability waiver form to be allowed on the premises, which shall be presented to the Match Director prior to the start of the event.
- ❖ Limited spots are available and will only be granted on a first-come, first-served basis. It is your responsibility to contact the Match Director of the event to determine if space is available prior to the event. **Do NOT just show up thinking there will be space for you.**
- ❖ There is very limited space for travel trailers. Travel trailers must remain behind the designated safety line, located in the Trap and Skeet Range lot. Tents must be placed between or alongside any travel trailers.
- ❖ All overnight members and guests must abide by all of the Overnight Stay Rules listed below.
- ❖ The Match Director of the event may revoke privileges, at their discretion, if they observe overnights who do not follow the rules set forth in this document or who are disruptive to the scheduled event.

Overnight Stay Rules:

1. **Leave No Trace:** All overnights must leave their area as they found it. No littering of any kind. All trash must leave the facility when you leave. ABSA is not responsible for disposing of any trash created by overnight guests.
2. **Be Respectful:** Avoid loud music, excessive talking, and other disruptive behavior.
3. **No overnight stays at the Square Range.** Overnights are only allowed in the designated areas located behind the safety line at the Trap and Skeet Range.
4. **No campfires.**
5. **No drugs.**
6. **No Excessive Alcohol Consumption.** Be safe and responsible.
7. **Store food properly** in bear-proof containers to avoid attracting wildlife. No glass.
8. **Respect Quiet Hours:** Quiet time is in effect from 10:00pm to 7:00am.
9. **Pets are allowed; just be smart about it.** Pets must always remain on a leash. Pets must not disturb other shooters and must be properly cared for if left unattended.
10. **Absolutely NO use of firearms** before or after the sanctioned event activities.
11. **Respect** other overnight guests and their property.

Failure to abide by the rules set forth in this document will result in the termination of future overnight stay privileges. Remember, this is NOT a campground; it is a gun range, and overnight privileges may be revoked at any time, for any reason. Don't be the one who ruins it for everyone!

The policy set forth shall be implemented on a trial basis of one year from the date of acceptance and may be altered at any given time to reflect additional rules or regulations not yet listed above.
